Copyright Notice

This manual is Copyright by GPSoftware, 1996. All rights reserved.

No part of this publication or the accompanying software may be copied or distributed, transmitted, transcribed, stored in a retrieval system or translated into any human or computer language, in any form or by any means, electronic, mechanical, magnetic, manual or otherwise, or disclosed to any third party without the express written permission of GPSoftware, PO Box 570, Ashgrove, Queensland 4060, Australia.

Disclaimer

GPSoftware and its associated distributors make no representation or warranties with respect to the performance of the Software nor of the contents of this publication and specifically disclaim any implied warranties of merchandisable quality or fitness for any particular purpose. Further, GPSoftware reserves the right to revise the Software and this publication and to make changes to them from time to time without obligation of GPSoftware to notify any person or organisation of such revisions or changes.

Illustrations in this publication are intended to be representations and may not be exact duplicates of the screen layouts generated by the Software.

Program Licence

GPSoftware provides this program and any updates under the terms set out below and licenses its use world-wide. ***You assume responsibility for the selection of the program to achieve your intended results, and for the installation, use and results obtained from the program.***

Warranty

All care has been taken to ensure that the programs perform the functions as set out in this manual. However, GPSoftware provides the program 'AS IS' and makes no express or implied warranties with respect to the software, its documentation, performance, or merchantability. Should the medium on which the program is supplied fail within 90 days of purchase by the original purchaser, GPSoftware will provide a replacement copy for the cost of the disk plus postage, provided the original disk is returned to the address below (shipping prepaid and properly packed). Proof of purchase (a copy of, or reference to, the original Registration Card) must accompany any request for warranty.

Technical Support

At the discretion of GPSoftware, any and all warranty or technical support is available only to the *original purchaser* of this package.

Please contact your local GPSoftware distributor in your local country for Technical Support in the first instance.

Program Licence

Directory Opus 5 is supplied under the following conditions. If you do not agree to abide by these conditions, you must return the package to the place of purchase together with the disk package unopened and a full refund will be given. ***You accept responsibility for the serial numbered version of the software supplied in this package.***

GPSoftware will institute legal action against any individual, company or organisation found to be creating, duplicating, selling, or distributing in any manner, unauthorised copies of this software or its associated user manual.

You may a) Use the program on a single machine at a specific site only, unless a multiple site licence has been negotiated at time of purchase from GPSoftware; b) Make a maximum of one copy of the software for your own personal backup purposes only. If you transfer the program to another party, you must at the same time transfer all copies to the same party or destroy all copies not transferred.

YOU MAY NOT USE, COPY, OR TRANSFER THE PROGRAM OR MANUAL, OR A COPY, IN WHOLE OR IN PART, EXCEPT AS EXPRESSLY PROVIDED. IF YOU TRANSFER POSSESSION OF ANY COPY OF THE PROGRAM TO ANOTHER PARTY, YOUR LICENCE IS AUTOMATICALLY TERMINATED.

Acknowledgments

Directory Opus 5 and this manual are (c) Jonathan Potter and GPSoftware, Brisbane, 1996. All Rights Reserved. The software was written by Jonathan Potter. OpusFTP and AFC modules were programmed by Andrew Dunbar. Graphic design by Leigh Malpas. Manual written by Greg Perry and Jon Potter. Help file system written by Mark Anderson, Greg Perry and Andrew Dunbar.

Jon and I wish to extend our grateful thanks to numerous people who have contributed in various ways to the production and development of this package. In particular, we express our appreciation for the patience and perseverance of those who assisted in the Beta testing of Opus 5 and 5.5 and those who provided useful comments on the many new concepts found in the current product. Thanks to Mark Allen, Pino Aliberti, Mike Bailey, Mat Bettinson, Andrew Brown, Dave Clark, Leo Davidson, Ross Delaforce, Maurizio Fabiani, Dave Freeman, Troels Walsted Hansen, Seth Harmon, John Hendrikx, Kees Huizer, Jim Huls, Harvey Laser, Mike Latinovich, Andy Leaning, Trevor Morris, Bill Near, Michael Portmann, Ian Rodbourn, Neil Sedger, Fred Schuchman, Peter Schulz, Frederic Steinfels, Edmund Vermeulen, John Veldthuis, Richard Waspe, James Wright and many others.

We also thank Stefan Ossowski, George Graham, Shaun Cosgrove and Tony Carmody for their suggestions, encouragement and marketing support.

Thanks also to Bronwyn for support in ways too numerous to mention and thanks to Barb for the bike ride :)

The Directory Opus 5 manual was produced on an Amiga 4000 with WordPerfect 4.1, PageStream 2.2, Brilliance, DPaint, BME and Pageliner. Text was set in PageStream postscript fonts Pala 9 pt, CS Triumvirate 15 and 24, with Ding 24 being used for highlights. Printer's proof output produced by PageStream 2.2 on HP LaserJet 4M under postscript at 600 dpi.

Installer and Amiga Workbench TM (c) Copyright 1991-1992 and 1985-1988 Commodore Amiga, Inc. All Rights reserved. Amiga, AmigaDOS, Workbench, Intuition, Exec, etc were registered trademarks of Commodore-Amiga, Inc, Amiga Technologies,....

Other products mentioned in this manual are trademarks or copyright of their respective owners.

Dr Greg Perry, GPSoftware, Brisbane, Australia, June 1996

Updates and Changes

Please read the ***ReadMe or Updates file*** on the program disk for any changes to the software or additions to the manual since the time of publication.

Table of Contents

1	What's New for Opus 5.5	1
